CHAPTER 12: MOTHER-GUILT SHOPPING

Mr. Ant,
you can
stop
now! It's
all right!

Is it a good
thing, or a
bad thing?

I don't
under-
stand
what I'm
doing
anymore.

I won't
forgive
bad guys
who hurt
my friends!

Who is
that
hime?

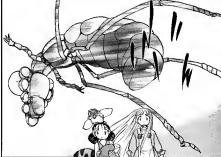

Bad guys
must be
punished

Why
are you
liking
their
side? You're
on bad!

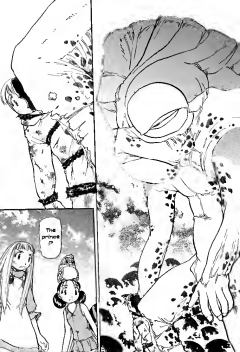

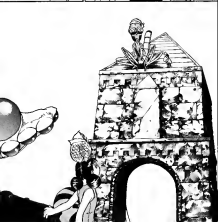

I thought I
wiped out
your whole
species.

Huh. A
whole
Ant?

You reek
of sin-
chit?

You're
dôggitious!

Hey, you
stupid
Ant! What
did you
do to my
friends?
I want
you!
If you
turned
them
into
food.

I really
want
to
kill you.

Are
you re-
linked?

Then I will
create my
own little
island...

It takes
over your
universe

It very
good idea!

That
side, I
had a
good
idea!

in this
universe
full of
food.

Why? Why
did you
change
your mind
Leah?

If... if you
hadn't left,
no things
wouldn't have
come to this

to rule
over the
entire
universe

Because
I really
need it...
I realized
that it is
impos-
sible.

Those chaotic
universes were
only inhabited
by 'children'

That uni-
verses
were
killing
each
other.
You see
it, too,
didn't
you?

I've
become a
mother!

Under our
rule, the
universe
will have
peace

It's not
too late.
Let's
give it an-
other try.

We've
already
been
too
gather

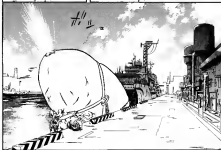

From
now on,
we shall
be
already
too
gather

I, I don't
let you
go, Lili!

For
a little
while

We just
turned our
eyes away
from each
other

The
rest.

By
dough-
tun.

You tried
hard. In
your own
stupid way.

うんうん

The rest
will be up
to your
children

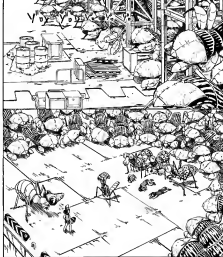

I mean No.
Kobun

Yes, I
under-
stand
Sis

Yes

CHAPTER 17

THE UNIVERSE WILL PERISH IF THE RED QUTE BRGV

But, so
is the
prince.

She died
She died
Lest Yo-
shō is
dead!

The rest
of us are
also safe

The third
Universe,
on the
other
hand is
safe

Please tell us
more about
the current
condition of
Lest's children
Slings and

So the
prince alone
couldn't do
it after all

Ako
has
made
a
bunch
of
new
friends

Ako
has
become
more
power-
ful

He
is
not
one
of
Luvell's
children,
though

The
doctor
is
informed

He
is
close
to
death

So,
slung
that

We
need
you
to
spread
rumors
about
them
in
some
un-
wanted

Either
way,
we
must
do
something
before
they
grow
up
to
be
adults

Maybe
it's
someone
who's
still
hiding
outside

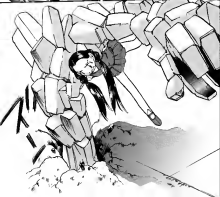

Which
child
is
their
ultimate
weapon?

After all, you're why
too stupid!

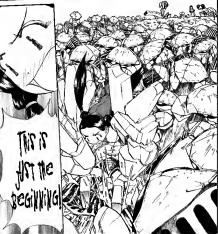

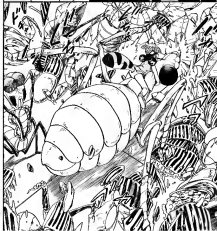

Yeah... I
believe
you now

What do
you think?
My dear
didn't she
strong, didn't
they?

The three
grand-
mothers

They said
that, but in the
end, I'm sure
they're plot-
ting some-
thing else as
we speak

But, I heard you
didn't get
potion about
the three
grandmothers

He plans
to launch
his big
attack!

The
ink got
angry. He
got real
angry!

and
the ink
launches
his big
attack.

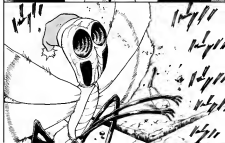

but every-
thing will be
over...

that
the ink
got into
a ridge,
huh?

that?
So Ueda's
children
grow so
much...

If he doesn't
stop, the
Grand Uni-
verse, the
universe that
you created,
will be de-
stroyed!

We don't
have a
chance,
Lies!

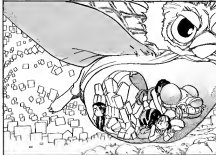

The Grand
Universe
don't isn't
what mat-
ters as
long as the
children
are alive.

It's all
right!
Don't
worry!

Hana!

Everyone...

where are
the Ark
books
shouldn't be

it looks
like we
have entered a
universe

CHAPTER 12: SO MANY NIGHTMARES

He
appears
slooly,
as if from
nowhere.

He appears
at nightfall.

He feeds
on people.
That's the
only thing
he does

Then he
feeds...

He has a
tail, too.

We may
have to
eliminate
the Ark
seed,
after all

I know! I
recognized
this unit
before!

I wonder
where it
is...

We find
the Grand
Universe
that was
about to be
destroyed

Taro, Hana
and I often
came here
to play

We once
found a
universe
that is
very close
to our
home
world. The
universe

However,
something
is different
now

It's been
a while
since I last
visited the
universe

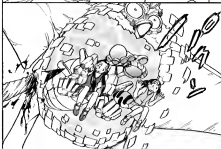

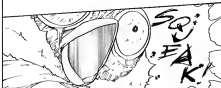

That's the
little school
the priest-
nuns
were talking
about.

Let's find
out how
strong
you are

Is
Bulkyware
about?

Reactor!

Hah!

It
is!

It
is!

あはあ

Let's
start with
the one
with the
huge area!

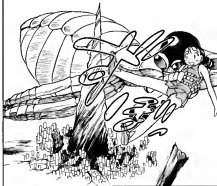

AA

This is not
the end

We don't
have much
time, either.

But with our
rather dead, we're
the only ones who
can rebuild the
third universe.

Our opponent
from earlier
today was
a little medi-
ocre, too. We
should get to
the bottom
of this.

Also,
there's
definitely
something
wrong with
this uni-
verse.

Will you
excuse me
for a little
while, Akko?

I can't
leave this
world like
this. I have
friends
here

All right.
You can go
as long as it
doesn't take
too long but
you must
promise me

That's
very kind
of you,
Akko.

Don't
worry, I
won't do
anything
reckless on
my own!

...that you
call him
around and
come back
in time so
I become
dangerous.

The last time
I came here,
the people
were far
happier than
in my own
universe...

but the
lights are
off every
where I go.
There are no
signs of any
people living
here, either.

Strange
I've been
running
around
for quite
a while...

He came to
my house

He's here.
He's here
at last.

Is it because
I know people
with bad?

Why...
why my
house?

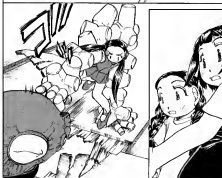

Is it
because I
baw one
of them
today?

Daddy!
Mummy!

What?
How way!

stare

No...
That's
impos-
sible..

Could
you be...
Tengen..?

But...
if he is..

You'll continue
with my Grand
Universe.

You and your
friends will
serve as the
ideal food

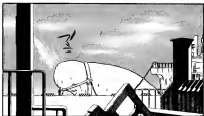

You can
go before
them!

Just hold
on. I will
turn the
other chil-
dren into
food in a
minute

CHAPTER 12: TAROU'S AWAKENING

KOTONOHA
ANIMATIONS & PRODUCTIONS

Ah,
wished
I had
the
feeling
...

That feels
like you try
desperately
to correct
yourself to
relieve your
loneliness

It's not
like a
universe
jump

But this
is dif-
ferent

Gold is
really
nice.

I'm gonna
go help my
friends!

There's
something
wrong
with this
universe

She's
become
much
kinder.

Gold
has
grown
up

When the
Afek asked
what created
the doctor lent
me a book.

* "Futaba Fumori Chikara" (My of the night)

The book
deals with
the Cosmos's
fragging

It was
written
by himself
a long
time ago

Book
Cosmology in Change
The Children's Use
by Daigo Sato

a universe
can't stay a
"child" forever
and that it must
grow up to be
"an independ-
ent adult"

The
doctor
wrote
that...

But now
I do.

I didn't
under-
stand the
meaning
of it at
first

I'm
going to
grow
up.

So you two
kissed and
that's the
big deal?

Should I
try it
out?

Tsk!

that you
can play
with those
weapons
of yours

This is not
a simple
convin-
tion.

but the truth
is that only
your defacer
and power was
drained by
your kindness!

Hmph! You can
brag about
your new
strength!!
!! huh!!
you too!

Don't you
notice that
there's
something
you guys
lack?

The Pilot
that you
can't kill by
Terror is the
best proof!

Hey!
Watch it
minute!

Your off-lim
live power
isn't as much
to let de-
lined

You're won-
dering what
my Tienou
wants? He
wants to test
your off-lim
live power!

But you
can be it
well. Your
and your
friends' turn is
next!

I'm
looking
after
you.

my

Don't worry!
I'm on your
side! I'm a
friend of
Rin's!

Don't
worry!

Whoa!
An Ant!
An Ant!

I see The
Grand Uni-
verse will
be a failure

And we
escaped
to this
universe

It's one of
the few
universes
that can
become a
Grand
Universe

Un-

I can't run,
but I can
certainly
walk...

I'm only
one leg
short.

Can you
walk with
Hôni on
your
shoulder?

Yes.

Then we'll
definitely
need Hôni

If our new
partners are
who I think
they are.

Very well,
let's go back
up the girl
immediately

Something
is here.

I think I can
handle him.

Can you
fight,
nephew?

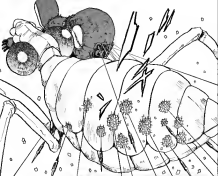

You guys
don't have
much of a
connection
now, do you?

OK, I'm
going
now,
Gouken.

You're
the
same old
Tōno.

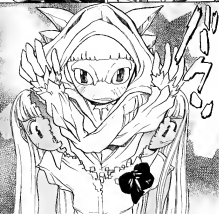

You've
gained
weight,
mōdō.

why will she
called the
Pink Bowel

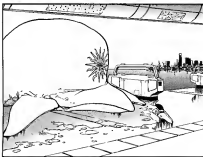

I'll show
you...

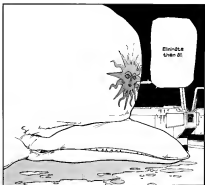

They were
given a
chance,
and they
squandered it.

They
have
failed.

their cartoon-
dancing ability
to humans,
are just plain
funny animals.

The
real
one-
trick
pony.

FINAL CHAPTER: EIGHTH

Stop
getting
in my
way!

We all belong
to the same
species.
There's no
need for us
to fight one
another.

Let's
stop
this.

The universe
that you and
the others
are trying to
create, what is
it like?

Doctor,
tell me.

I'm fly-
ing!

A place
where
the bonds
between us
are strong
and never
break
easily.

Well, it's
a won-
derful
place.

With like
and... the
others...

I wish I could
be in a uni-
verse where
I can have
more fun.

There's
up!

That's
it. It's
over!

Our plan
couldn't
have
failed.

What
happened,
Stinging
Bird?

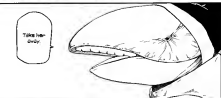

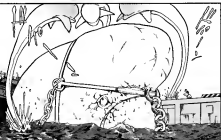

Yes,
it did.

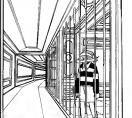

Take
them
away.

You're no
longer
needed

#3

If the Grand
Deceiver that
Loki talked
about is not
the only one...

I want
you to
convince
your friends

I make this
request
with full
confidence
in you as
the only
adult.

Doctor.

I want
you to
drop the
F&B
squad!

A wonderful
mother-
who's both
strong

and
gentle

See,
Lan?!

You'll
have it all
waiting
for you.

But what you're
doing is too
dangerous!

You can't
be serious!
How can we
stop after
seeing this
far?!

What is
required
for the
creation
of the
third Uni-
verse?

A perfect
father and
a perfect
mother.

Can you
make the
quadrillion
times?

The problem
is with him
and the
other girls.

Tensu is
fully de-
veloped,
so I don't
worry
about him.

I hate
to
fight!

If the
doctor
tells me
not to
continue,
I won't!

W...

You don't
do that!
It's not
right!

You're
already
headed
to
death!

You
stay
out of
this!

their

Will
they

than
their
father?

You'll be
together
always.
